Missionary Month

Randall & Denise Naylor

This month we would like to highlight the work of Randall & Denise Naylor.

The Naylors were members of Lakeshore who followed the call of God to minister in Asia many years ago and today continue to be one of our missionary partners.

Randall and Denise live in Southeast Asia where they partner with local churches doing pastoral work, preaching, Bible teaching, training and equipping church leaders. Randall teaches a theological course in the English Theological Extension program of Ecclesia Theological Seminary as well as leadership/oversight in the operation of the PAOC Ka Chi Secondary School. Denise is active in Prison Ministry on a one-to-one basis and participating in regular Bible Classes. She assists in the translation of Christian material into Chinese and serves as a translator in Chinese-speaking communities. They also travel for ministry to countries in Asia (Cambodia/India/Mongolia) where Randall teaches in Bible Colleges, provides pastoral support, leadership training, counselling, preaching and Bible teaching.

In the following Sundays during the month of February we will be hearing from them in various ways ...
will you help us, help them to help others?
Pray fervently & Give generously.

Simply mark "Naylors" on the mission line of
your envelope and the funds go directly to them.
